- Field Effort Leadership

Experience Summary

Mr. Clark has 9 years of experience as an archeological consultant on projects funded by public entities such as the Texas Parks and Wildlife Department (TPWD) and Lower Colorado River Authority (LCRA), as well as private firms including Antiquities Planning and Consulting and Turpin and Sons. Mr. Clark served as an archeological technician for Hicks and Company, participating in a number of Texas Department of Transportation (TxDOT) projects including reconnaissance, survey, monitoring, and data recovery. His proficiencies include all phases of cultural resources project planning, fieldwork, and post-fieldwork tasks ranging from mechanically augmented testing to artifact curation preparation and project report writing. Mr. Clark has considerable experience pertaining to rock art recording in Texas, New Mexico, and Mexico. Mr. Clark is MSHA and HAZWOPER 24-hour certified.
